

## **Pre-Kiddush Blessing for B'nei Mitzvah**

As this Shabbat service draws to a close, we are thankful for the Jewish traditions that we have celebrated today. We also feel particular gratitude for \_\_\_\_\_, who has strengthened the links binding us through generations.

\_\_\_\_\_, we pray that you will continue to be a source of blessing to those who know and love you, and for all creation. May your days be filled with exploration and fulfillment, and may your evenings be shelters of peace.

As you sanctify this sacred day with the kiddush blessing, we pray that the sweetness you taste will reflect the sweetness of the life you live.

## **Version for Young Children**

Before we say kiddush, let's give thanks to God for this happy day! We are thankful for Shabbat and for \_\_\_\_\_.

\_\_\_\_\_, we hope you have a happy life filled with lots of blessings, like good health, good deeds, and fun times. Amen.
